- Effective in removing grease, tar, paint & more

- Can be used without water

- Citrus scented

# DEKS GET IT OFF® vs. Others

**Myth:**

All the heavy duty wipes are the same.

**Truth:**

No, DEKS hand wipes are unique – they are textured & have a specially formulated solution to get rid of effectively 'anything'.

The DEKS hand wipes are uniquely multi-purpose and can be used to clean cars, machinery and much more.

DEKS hand wipes do not lose their moisture unlike other wipes. They remain moist even after the can has been opened.

# Applications

The DEKS GET IT OFF® wipes are great for everything:

- Automotive - Bikes, Cars, Boats

- PC Peripherals – Keyboards, mice

- Industrial – Tools, Machinery

- General – Shoes & other domestic applications

# Product FAQ's

Q. Can these be used without water?
A. Absolutely, Yes

Q. Are these effective in killing germs?
A. Yes, absolutely – you're hands are dinner table ready!
B. Do not contain alcohol to kill a virus!

Q. Why is the can so heavy ?
A. The can contains 72 wipes are premoistened and contain a lot of specially formulated cleaning solution, for them to remain moist. Hence the cans feel heavy.

Q. Can these be used to remove silicone, grease etc.?
A. Yes, without a question, these are the best wipes on the market, if these can't, then nothing can!

Q. Why are they so effective?
A. They have been specifically designed with a pumice like surface (textured) just for those heavy duty applications!
