Home Improvements available in 80% High Gloss. G = Gloss. The COLORBOND® steel colour swatches and images shown above have been reproduced to represent actual product colours as accurately as possible. However, we recommend checking your chosen colour against an actual sample of the product before purchasing, as varying light conditions and limitations of the printing process may affect colour tones. To determine the most suitable material for your project, please contact your supplier or see steelselect.com.au/colours.
